FIRE RECORD

Fire records are made by people--those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have , in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire, working together, have substantially reduced our fire incidents (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) The careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres--a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or ocooking fire.

4. Most important - instruct your children that matches are not playthings.

TRULY - ONLY YOU CAN PREVENT FOREST FIRES

RINDGE HISTORY COMMITTEE
Report for 1966

The History Committee has continued to gather and transcribe a substantial amount of material, dating from 1874, which has been placed in the History File at the Library. A History Control Chart has been prepared in order to organize properly the material being collected.

The Committee will again man a table at Town Meeting for the purpose of obtaining additional information on the following subjects: Industries, Resorts, Homes, Schools, Churches, Organizations, Special Events and Geneology.

The History Committee regrets the passing of James J. Anderson and the resignation of Edith S. Fitzgerald, both of whom contributed considerably to the work of the Committee.

Report of Town Auditors

We have examined the accounts and records of all Town of Rindge Departments and Officers for the year 1966 using generally accepted accounting procedures. We found them all properly maintained and vouchered with the exception of private work done by the Highway Department. In our opinion, the enclosed reports fairly represent expenditures and receipts of all Department and Officers

At the Ingalls Memorial Library the year 1966 was one of much activity.

Finding that our students needed more time in the library, the trustees decided to open the library on Monday evenings, as well as on Tuesday evenings. This has proven to be much appreciated by all our borrowers and the users of our expanding reference collection.

Two art exhibits were held during the year. A collection of Mrs. Audrey MacLeans' work was shown and several fine books were given in her memory.

Mr. Luis Neri-Zegal was most generous in loaning us a group of his pictures which were much enjoyed.

The friends of the library under the leadership of the chairman, Mrs. Edward Brummer, had a most successful meeting on August 25. The guest speaker was Mrs. Rachel Sanborn, District Library Consultant from the Exeter Extension Office of the State Library. She spoke of the work done by Friends of the Library in our state and the many worthwhile projects they carry on for their local libraries.

A film was shown by Mrs. Brummer. It described the work done by many well-known authors in their preparation of children's books. The meeting was well attended by both state library personnel and townspeaple.

As usual the food sale sponsored by the Friends of the Library was a social and financial success.

The Story Hours for the lower grades continue to be popular. We are grateful to Mrs. Russell Bacon for giving her time to this added service for the children.

Your librarian, as the Rindge delegate to the State Affiliation of Town Libraries attended the quarterly meetings of the District Advisory Council, as well as the bi-monthly book meetings and the spring publicity workshop.

The trustees and librarian wish to express their gratitude to the many friends who have so generously contributed fine books, money, magazines, subscriptions and records. All of these gifts add much to the attractiveness and the efficiency of the library.

Again I wish to extend my thanks to the trustees for their help in carrying out the year's program, to the Friends of the Library, to Mrs. Marshall Danforth, Mrs. George Semonite, Mrs. Arthur Chase and Mrs. Richard McCheaney, who have helped in the increasing work required to keep the library and asset to the people of Rindge. My thanks also to Mr. Walter Lovell, Custodian.

Respectfully submitted,

MRS. WILLARD E. GRAY
Librarian

REPORT OF TRUSTEES OF THE INGALLS MEMORIAL LIBRARY

"Book love, my friends, is your pass to ghe greatest, the purest and the most perfect pleasure that God has prepared for His creatures. It lasts when all other pleasures fade. It will support you when all other recreations are gone. It will last you until your death. It will make your hours pleasant to you as long as you live." These remarks of Anthony Trollope are so true and due to the increase of book circulation and greater interest shown by people of the Town, the summer residents and college students, the Trustees voted to keep the Library open Monday evenings so that we could continue our service for the greater use of the many that seek it.

Mrs. Edward Brummer was made Chairman of the Friends of the Library and a financially successful Food Sale and Art Exhibit was held in July. We thank all the Library friends who helped in any way during the year--their interest is sincerely appreciated.

The Trustees voted to include the Library insurance with the Town's package policy type of coverage.

To Mrs. Gray, our Librarian, goes our deep appreciation for her excellent work and devotion in making this year so successful. We also thank Mrs. Marshall Danforth and Mrs. George Semonite for their aid, and Mr. Walter Lovell for his help and care of the building.

B. SCHOOL PROGRAM

School opened in September with three additions to the teaching staff; Miss Hazel Flagg in grade one; Mrs. Margaret McCormack half-time teacher in grade five; and Mrs. Ann Boudrieau in grade 6.

Tuesday, September 6, 1966 all teachers employed by districts within Supervisory Union #47 had the opportunity to meet the new Superintendent of Schools, Mr. Raymond G. Edwards. The meeting was held at the Peterborough Consolidated School.

After extensive study, instruction in grades 4, 5 and 6 has been departmentalized. Under this form of school organization, teachers are assigned to areas for instruction for which they have been best prepared and in which they are most interested. The current assignements are as follows:

Mrs. McCormack, English; Miss Gourd, Mathematics; Mrs. Boudrieau, Science, and Mr. Murphy, Social Studies

Grouping procedures for purposes of reading instruction have been revamped. Students are placed in a specific instructional reading level without regard to grade placement or age. Actual reading achievement level is used as the criterion for initial placement and for movement from one reading level to another.

The modern mathematics is now extended to all grades.

Your annual testing program has been updated with the addition of the Stanford Achievement test series and the deletion of the Iowa Achievement.

A physical Education program has been implemented at the Rindge Memorial School. Mrs. Estabrook of Franklin Pierce College is directing students from the college under the Supervision of Mr. Murphy. Franklin Pierce College students are doing the actual teaching. Two student teachers are assigned to each grade insuring almost individual instruction.

This program allows for 1/2 hour of programed and supervised physical education per grade per week. The new Guidelines and Recommendations for Public Elementary Schools and the President's Physical Fitness Program are used as guidelines for the program.

Children in grades 5 and 6 will attend Sargent Camp this spring from May 15 - 19. The theme this year will be Forest and Wildlife Conservation and Wood Lot Management. Prior to going to camp, students in grades 5 and 6 will work on units related to this program.

During the coming spring, further work will be done on the school land to increase the play area and to improve its general appearance.

Donald E. Murphy, Principal
Donald P. Carle, Assistant Superintendent of Schools
Raymond G. Edwards, Superintendent of Schools

Mr. Quimby carried out regular summer maintenance on the school plant. The first and first and second grade rooms, the kitchen, and the hall in the old section of the building were painted, the gym floor was refinished, and the grounds were maintained.

A new twelve-foot screen was installed in the auditorium and a public address system installed in the hallways.

The water system was enlarged by the addition of more filters and booster tanks.

To improve appearances and ease in maintenance a new mopboard was installed in the hallway.

PART VI:
AUXILIARY ACTIVITIES & SPECIAL REPORTS

A. Health

This report is based on Mrs. Shea's annual School Health Service Report for the school year September, 1965 to June, 1966. In September, 1966, I relieved Mrs. Shea as school nurse for Rindge. Physical exams, etc:

Physical Exams by Dr. Sterling	Total 76	Defects	Corrections
Heights and Weights	158		
Vision Tests	159	17	Many
Hearing Tests	153	3	3
Teeth	158	46	about half
Heart			

Early in the year an influenza clinic was held with 16 given vaccine. Later a tuberculosis clinic was held by Dr. Sterling with the nurse assisting. Twenty-nine children were given the Heaf skin test. This simple test safeguards the health of children and their families by uncovering both active and inactive cases of Tuberculosis infection.

Throughout the year the Dental Program, conducted by Dr. Goodman as dentist treated thirty children. Transportation was provided by the school nurse.

Pre-school clinic was held in May on three different days. Eighteen new first-graders were checked by the nurse, were given vision and yearing tests, and also a school readiness test.

We wish to thank Dr. Sterling for his generous help as our school physician.

According to my knowledg e this report is correct and complete.
